You will receive a packet with a tech inspection form after receipt of your registration. The tech form must be completed, signed and brought to the driving school. NO exceptions will be made concerning tech inspection. No one under 18 years of age can ride or drive. Rental cars and open cars are not permitted. You will be required to sign a waiver releasing BMW CCA from liability. NO motorcycle helmets allowed.
Drivers must wear a Snell 00 or newer helmet.

I agree, as a condition of my participation in this BMW CCA Performance Driving School, that I will be fully responsible for my vehicle at all times. I for myself, my heirs, executors and assigns, release BMW CCA, their assignees, officers, agents and successors from any and every claim, demand, action of whatever kind or nature, and any cost, loss or expense I may incur participating in or in any way connected with BMW CCA Performance Driving School.

SIGNED _____ **DATE** _____

IMPORTANT INFORMATION:

This is not a racing school.

You are totally responsible for the safe operation and mechanical condition of your vehicle. BMW CCA Inc., the local chapter, its officers, instructors, staff and facility providers assume no responsibility in the event of an accident of any kind during this school. Submission of this application is your acknowledgment of the above and agreement to attend under these conditions.

~~THIS IS open to BMW CCA members with priority to Everglades Chapter members.~~

You need to arrive at 7:00am for track registration (sign waivers) and driver/instructor meeting outside the gate. Track is hot from 9am until 4pm. Gates close for the day at 5pm.

Moroso is a 2.25 mile road course with ten turns. The event runs rain or shine – be prepared. The Dee-Stefano's at the A-Frame will be open for lunch (your approximate cost \$8.00 - \$10.00 or bring your own).

The focus of the Driving School is on safety and performance. Each driver is assigned an instructor to teach safe, smooth and controlled driving techniques. At no time will you be pressed to drive any faster than your comfort level. All participants are grouped according to experience level. All students will receive classroom in addition to in-car instruction. The no-passing restricted area will be enforced. There will be no racing.

To participate in the school **you must register in advance.** Upon receipt, you will be sent a confirmation package and a technical inspection form to be completed, signed and brought to the school. The cut-off date is APRIL 21 to allow time to mail the confirmation packages to you. We expect to fill up the slots quickly.

You will be required to have a qualified mechanic inspect your vehicle and verify its safety. This inspection should **occur within three weeks of the event.** In addition, our tech crew will collect all pre-event tech forms at the track and perform an on-site check of every vehicle and helmet. You are solely responsible for ensuring that your vehicle is safe before you come to the track. Failure to present a completed tech form and/or failure to pass the on-site check will disqualify you from participation in the event and your entry fee will be returned. Seat belts must be of the same type for both driver and passenger.

Directions for applicants: Make **check** payable to Everglades Chapter BMW CCA Inc.; **fill out entry form, sign, include copies of current driver license, auto insurance card and membership card** and mail to:
